LIVING LIFE NATURALLY

Fun in the Sun! What a blast!

The highlight of February was Fun in the Sun: Two weeks of craziness as we worked our way through all the competitions, some of which were friendly but fierce, and others just a blast of hilarity, perhaps even more fun for those watching than for those taking part.

Tom, Lot 309, is to be thanked for spearheading the entire tournament and making sure that it all ran smoothly. Many thanks Tom for a job well done. The event coordinators also did a great job of ensuring that their events were well run. Without all these people we could not have had FITS which would be a huge loss to the entire park! Thank you all for the time and effort that you put into FITS!

Although the weather generally has been great this winter, it did not fully cooperate with our competitions. The people playing Ladder Golf had to fight the wind, our Pickle Ball players had to have their competition spread out over a number of days because of the wind, and the pool games had to be rescheduled too. But it all worked out! Everyone was flexible, all the competitions took place and everyone had a great time!

Tidbits from Cally, Natures Proud Cat!

So many activities! So many competitions! I'm exhausted! But it has been so much fun! I'm just a little cat, so I couldn't keep track of who won what at FITS. Someone else will have to tell you about that, but I'll tell you about all the other things that have been going on!

- To celebrate Valentine's Day we had an old fashioned brunch. Many thanks to hosts Sue & Rainy for organizing it.
- Our craft/vendor show was a big success. We have so much talent here at Natures as well as some interesting vendor items. Many thanks to the organizers who give our crafters a platform for their beautiful crafts, as well as giving us an opportunity to buy some exceptional and unique handmade items.
- We had a big Super Bowl Party in the clubhouse, with a huge variety of pot luck snacks to enjoy. The hosts did a great job of making sure that everyone had a great time.
- It was great to have some new faces at the Days for Girls workshop. Although much work was accomplished, there was also a lot of camaraderie and fellowship which always makes it a special time.
- Everyone got into the spirit of Mardi Gras! The spectators enjoyed a colorful parade of decorated golf carts, bicycles, carts and, of course, some of Big Bills unique modes of transport. Many thanks to Mel & Randy for hosting the parade, and to Eric & Kathy for providing the Mardi Gras parade music. Thanks also to Steve for the King Cake and to everyone who took part in the parade so that the rest of us could sit back and enjoy!

That's all from me!
